MEMORANDUM FOR THE RECORD

SUBJECT: Telecon with Representative Wolf's Office on 4 January 1983

1. Ms. Nancy Bennett, aide to Representative Frank Wolf, contacted the undersigned to query the status of the road design study. She was advised that the consultant had stated that the draft report would be ready the week of 9 January 1984 and that the Virginia Department of Highways and Transportation (VDH&T) representative had stated that another week of review would be required in Richmond before the draft report is disseminated. The writer stated that a meeting date would be set as soon as agreement could be reached with VDH&T.

2. The writer asked if the previously discussed meeting between Representative Wolf and Mr. Maxfield (OL 2130-83) had occurred. Ms. Bennett stated that the meeting had not taken place and that she had conveyed the Congressman's response to Mr. Maxfield, i.e., the requested meeting was inappropriate. She described her conversation with Mr. Maxfield as very brief.
